We arranged a guest lecture of Ms. Madhavi Arekar, CEO, Licensee, Nasik on topic **“Women Entrepreneurship : Opportunities and Challenge”** was delivered on March 24th November 2022, for the girls students of all branches under Lilawati Award. Guest was welcomed by IT, Head of department Dr. M A Jawale and brief introduction of guest was given to audience.

During session Ms. Madhavi told her insights regarding importance of time management and approach of students towards business. She discussed many of her own experiences of completed projects. She highlighted with the overview of recent management techniques, opportunities and making its commercialization for better earnings.

Following key points were highlighted during session

- a) Importance of urgent , important, not urgent but important, urgent & important work .
- b) She had also a focus on how to categorize our work in above mentioned categories.
- c) Key highlights were on opportunities for women's in leadership management.
- d) Different challenges she faced during completion of those projects.
- e) The major focus is on skillsets required to become an Entrepreneurship as well as how to overcome difficulties involved in Entrepreneurship.

In addition to above discussion she also motivated and guided students regarding how to balance career and family. She has also discussion on making advantage of your graduation study in managing leadership project. She concluded with the answers for questions asked by the students which cleared many doubts of them. The lecture has proven to be very inspiring, motivating, and informative and career orienting for girl students.
